### **Re: Freedom of Information Act Request**

Dear Chief FOIA Officer:

Pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. §§ 552 *et seq.* and Consumer Financial Protection Bureau (CFPB or Bureau) regulations at 12 C.F.R. Part 1070, Democracy Forward Foundation submits this request for records.

### Records Requested

In an effort to understand, and explain to the public, CFPB's Military Lending Act activities, Democracy Forward Foundation requests that CFPB produce the following within twenty (20) business days:

1. Examination reports documenting CFPB's supervisory activities concerning the Military Lending Act.

The time period for search 1 is from August 15, 2018 to the date the search is completed. For purposes of search 1, documents should be produced even if all substantive information contained therein is redacted pursuant to valid application of a FOIA exemption or exclusion.

2. Any guidance, instruction, templates, manuals, or examination procedures for CFPB staff on how or whether to conduct supervision or examinations of practices in connection with the Military Lending Act.

The time period for search 2 is from November 20, 2017 to the date the search is completed.

Please search for records regardless of format, including paper records, electronic records, audiotapes, videotapes, photographs, data, and graphical materials. This request includes, without limitation, all correspondence, letters, emails, text messages, calendar entries, facsimiles, telephone messages, voice mail messages, and transcripts, notes, minutes, or audio or video recordings of any meetings, telephone conversations, or discussions. In searching for responsive records, however, please exclude publicly available materials such as news clips that mention otherwise responsive search terms.

FOIA requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. 5 U.S.C. § 552(a)(8)(A). In the event that any of the requested documents cannot be disclosed in their entirety, we request that you release any material that can be reasonably segregated. *See* 5 U.S.C. § 552(b). Should any documents or portions of documents be withheld, we further request that you state with specificity the description of the document to be withheld and the legal and factual grounds for withholding any documents or portions thereof in an index, as required by *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). Should any document include both disclosable and non-disclosable material that cannot reasonably be segregated, we request that you describe what proportion of the information in a document is non-disclosable and how that information is dispersed throughout the document. *Mead Data Cent., Inc. v. U.S. Dep't of Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in an electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 20 working days as required under 5 U.S.C. § 552(a)(6)(A)(i). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are available within that time period. If all relevant records are not produced within that time period, we are entitled to a waiver of fees for searching and duplicating records under 5 U.S.C. § 552(a)(4)(A)(viii)(I).

### **Fee Waiver or Reduction Requested**

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and 12 C.F.R. § 1070.22, Democracy Forward Foundation requests a waiver of all fees associated with processing records for this request.

Democracy Forward Foundation is a "Representative of the news media" within the meaning of § 1070.22(b)(1)(iv). Democracy Forward Foundation "gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience" through its website, press releases, and social media outlets. *Id.*

Additionally, the subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of these operations by the public in a significant way. Moreover, the request is for non-commercial purposes.

Pursuant to 13 C.F.R. § 1070.22(e)(1)(iii)(A), disclosure of the requested records “is in the public interest because: (A) Furnishing the information is likely to contribute significantly to public understanding of the operations or activities of the government.” This request pertains to “direct and clear” operations and activities of the CFPB--supervisory activity of the CFPB related to MLA issues--and is “meaningfully informative about government operations or activities in order to “likely to contribute” to an increased public understanding of those operations or activities.” *Id.* at §§ 107.22(e)(2)(A)(i)–(ii). Specifically, this request seeks to address outstanding questions about the CFPB, such as whether it continues to include MLA compliance in its supervisory oversight. The records would “contribute to the understanding of a reasonably broad audience of persons interested in the subject.” *Id.* at § 107.22(e)(2)(A)(iii). News that the CFPB might halt supervisory activity for MLA compliance generated significant interest by the media. The release of yet publicly unseen and unavailable records would enhance “[t]he public’s understanding of the subject in question, as compared to the level of public understanding existing prior to the disclosure.” *Id.* at § 107.22(e)(2)(A)(iv). The requested records will shed light on the government’s activities.

This request is “not primarily in the commercial interest of the requester.” *Id.* at § 1070.22(e)(1)(iii)(B). Democracy Forward Foundation is a nonprofit organization organized under Internal Revenue Code § 501(c)(3). A core mission of Democracy Forward Foundation is to educate the public about improper government activity. Democracy Forward Foundation intends to use the materials gathered to educate the public through its website, press releases, and social media outlets. Because “[t]he CFPB ordinarily shall presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester,” therefore the “public interest is greater in magnitude than that of any identified commercial interest in disclosure.” *Id.* at 1070.22(e)(3)(ii).

Accordingly, Democracy Forward Foundation qualifies for a fee waiver.
